## Target A\* Programme

### Woking College can support your ambitions with our Target A\* Programme

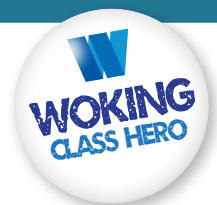

This programme is designed to inspire our high-achieving students to aim even higher and go on to even greater success. Targeted at students who are likely to achieve A\*s in their subjects, this programme will provide opportunities and support for those wishing to apply to top universities and career options.

The programme is divided into three parts:

#### 1. Joining Woking College

- As a high achiever your enrolment interview will be with a senior manager to check that your subjects are the best choice for you
- Throughout your two years at Woking College you will then have the benefits of our Target A\* programme, including:
- Specialist entrance guidance to Oxbridge and The Russell Group universities
- Assistance in gaining relevant work experience
- Additional sessions on higher level study
- Planning techniques to ensure consistent high levels of performance
- Talks from former successful students

## 2. Years 1 and 2

- You will take “The Extended Project Qualification” (please visit [www.woking.ac.uk/extendedproject](http://www.woking.ac.uk/extendedproject)), a highly regarded qualification recognised by the top universities
- Regular meetings and workshops on critical thinking and current affairs
- Talks from leading professionals, lawyers, journalists, engineers, city analysts, and accountants, aimed at those students who want to join the most competitive professions
- Guidance from subject teachers on achieving A\* performance at A-level

## 3. University and Careers Guidance

- An early start to the UCAS application process with additional guidance in high level application completion
- A conference and university trip for Oxford and Cambridge applicants
- Mock university interviews, building on guidance received throughout the year
- Specialist career guidance throughout your studies

Woking College is committed to helping all our students aim even higher. This programme will enable you to get the most out of your time at the College with a view to achieving your very best and progressing to the UK's top universities and professions.
