Guide to Student Travel

2016

Including: Student Fare Card Scheme Information,
Train Service Information, Bus Timetables

STUDENT FARE CARD SCHEME

The student fare card scheme is for students aged between 16 and 18. It allows travel on buses or trains at reduced rates for journeys to and from college.

The cost of the student fare card is £25 and is valid from 1 September until the end of the following August.

If you need to use both a bus and a train to complete your daily journey, you will need to apply for both a bus and a train student fare card. You can only apply for both cards if both modes of transport are needed to complete your journey. The bus and train cards cannot be used as alternatives to each other.

The application form is available online on the Surrey County Council website: <https://www.surreycc.gov.uk/schools-and-learning/schools/school-transport/16-transport-to-school-or-college/student-fare-card-scheme> from 1 August.

We would remind students that these fare cards take up to six weeks to be delivered to the college so early application is advisable.
