

Careers Bulletin

Monday 26th April 2021

The Careers Department is open daily from 8.30am to 4pm. We are always happy to see students. To book an appointment please come in person to the office in the LRC. The Careers Bulletin will be emailed to all students weekly, so please look out for it as it includes important information.

Career insight events

Men into Nursing 10th May: 5-6pm

<https://www.eventbrite.co.uk/e/nhs-virtual-taster-day-nursing-careers-for-men-tickets-147747271065>

An exciting virtual career insight event which is aimed at students considering a career in Nursing or roles related to Nursing.

Non-Clinical Roles 8th June: 5-6pm

This event will showcase different roles available in the NHS that do not involve directly working with patients such as Business administration, estates, and IT for example.

**You want
a career with
opportunities?**

**We have a
world of them**

Insights Day (for young people) – Opportunities & Diversity at HSBC 3rd June 12:00 – 16:00

Not all banks are the same. At HSBC, our people span many cultures, communities and continents. We are committed to facilitating their growth and enabling them to thrive both inside and outside of the organisation.

In the modern world, Diversity & Inclusion is such an important topic which, for many of you, will be a core driver in your early career decisions. We want to spotlight these themes, alongside detailing what opportunities are on offer at HSBC to help you think about your careers.

Find Out More

This event focuses on Opportunities at HSBC and Diversity & Inclusion; providing a real insight into the people who make up our workforce, and why HSBC believes everyone can find a “perfect fit” irrespective of background.

Join us to hear from a series of panellists ranging from our own Careers team, ex-Apprentices, current Graduates and different D&I champions within HSBC

FALMOUTH UNIVERSITY

Virtual Open Day

Students can join us on **Saturday 15th May** for our next Virtual Open Day! Throughout the day, we will have live sessions from academics and students covering all of the subjects offered at Falmouth, as well as opportunities to explore what it is like living and studying in Cornwall through talks and live virtual tours with our student ambassadors.

[Sign up to our Open Day](#)

Online Events

Outside of our Open Day, we have a packed schedule with a range of online events which students can explore. This is updated regularly so keep an eye out!

[Online Events Schedule](#)

Ask a Student

Our students are always open to have a chat with prospective students. They have also created lots of blogs on their experiences of applying and studying at Falmouth which students can explore.

[Chat to our students](#)

Save the date - 3 July! Our first in-person Open Day for 2021

We know that Open Days play a big role in helping students decide which university is right for them - from the course they're considering to the atmosphere on campus. We're highly optimistic that, if everything goes to plan with the lifting of restrictions, we'll be able to hold in-person Open Days again.

And we've scheduled the first on 3 July! Click the link below to find out more.

[More details](#)

Pathways to Property will be hosting a careers in property webinar on Thursday 29th April from 17:00 – 17:45.

This event is free to attend and suitable for any student wanting to find out more about careers in property and about how the fully funded Pathways to Property programme can help to support students to progress into a career in the industry.

During this short webinar, you will get the chance to gain a better understanding of the property industry and the potential career paths it has to offer. Hear from industry professional Aurora Barrett, a previous Summer School attendee and 2020 Graduate from the University of Reading. Aurora is now a Graduate Surveyor at Savills and will talk about her experience working in property and how the Pathways to Property programme supported her into the industry. There will also be an opportunity to join an interactive Q&A session to ask property-related questions that may help guide future career choices.

To sign up for this event follow this link: <https://live.henley.ac.uk/events/54968>

To learn more about Aurora's career, please visit her LinkedIn at <https://www.linkedin.com/in/aurora-b-78434699/>

We are hosting two more events on **Thursday 6th May** and **Thursday 13th May** in follow up to this introductory session.

On **6th May** we will be joined by [SEGRO](#), a leading property firm talking about their business and the roles within it.

On **13th May** we will be delivering a session discussing the key skills needed to work in the property industry and how to best present yourselves to future employers. Further information on these will be released in the near future and will be shared directly with all those signed up to this introductory event.

To find out more about Pathways to Property, please visit our website at <https://www.henley.ac.uk/research/academic-areas/real-estate-and-planning/rref/pathways-to-property>

A free, virtual event for students interested in studying Engineering at university.

Who is the event for:

Year 12 or Level 3 Year 1 students.

Year 11 students just finishing their GCSEs

This event is for you if you have ever thought about studying engineering at degree level. You might know exactly what you want to study but would like to understand where your engineering degree might lead, or you might be wondering what engineering is about and what degrees are on offer.

When will the event run: 28th June – 4th July 2021, most live sessions will run in the evenings and at the weekend. Pre-recorded material will be available all week.

Cost: this virtual event is free

What will the event offer?

- A series of live sessions led by engineering professional, academics and researchers and alumni looking at why engineering matters and their own career paths.
- A wealth of material about engineering degrees, how to apply and what you might study. Advice on the UCAS process and Personal Statements.
- A project aimed at helping you prepare to study at HE level.
- Conversations with current engineering students to find out what it's like to be a student, to go on placement, to apply for grad jobs, to study and live at Loughborough Uni.

How will it work: You will be offered a programme of sessions and resources and you select the elements of the event that suit your interests.

How to register: complete the registration form at www.lboro.ac.uk/engexp

 @LboroSCL

E: inspiring.minds@lboro.ac.uk

W: lboro.ac.uk/inspiringminds

Insight Week Monday 5 July - Friday 9 July 2021

Our Insight Week will be delivered online. Designed to provide support if students are considering university with an insight into ways to find the right course, understanding student finance what it's really like being a student, and thinking about preparing for careers of the future.

There will also be insight into writing their personal statement and how to apply to university. Including top tips for those without work experience and making the most of their summer to make a strong application. There will be the opportunity to explore specific subjects with our general insights into subject areas.

Once students sign up they can access content live and on demand after the event. For further information visit: [Insight Week](#).

BAME at Bristol - Year 12

This event is designed for Black, Asian and minority ethnic (BAME) students who plan to apply to university next academic year, including students currently in Year 12 or in their first year of college. You will hear from current BAME University of Bristol students about their experiences, which includes the opportunity to ask questions about topics such as student life, tips on applying to university, and the range of opportunities on offer at the University of Bristol. Students can [sign up here](#).

Explore Event - Our [Explore events](#) offer students the chance to attend taster sessions led by the University of Bristol. Students accepted onto the course will receive preliminary material to explore in their own time the week preceding the events. Take a look at our short [Explore video](#). Students can [sign up here](#) by **18th May 2021**

Virtual Vet Taster Event

This is for students who are interested in pursuing a career in veterinary medicine. This online event is a fantastic opportunity to explore 7 of the UK's vet schools all in one place, which includes live talks, and a Q&A opportunity, from staff and students from the British Veterinary Association (BVA) and the British Veterinary Ethnicity & Diversity Society (BVEDS). For more information go to this [information page](#).

Our virtual open week is a fantastic opportunity for prospective students to get a feel for university life. Join us between **Monday 21 and Friday 25 June** to find out what it's like to study and live in Bristol. Explore our courses in subject-specific sessions and learn about topics including accommodation, fees and funding, and admissions. There will be bookable Zoom webinars and live chat sessions hosted by current students and staff. Information will also be available on demand. [Register your interest](#) now.

UK Careers

Not going to university ?

Deutsche Bank Apprenticeship Programme

Technology, Data and Innovation

From the day you join Deutsche Bank, you'll be working as part of a global team that is transforming the world of banking. You'll make a meaningful contribution to live projects while we support you to learn everything you need to become a stand-out Software Developer. You'll be part of dynamic teams with the industry experts and experienced managers already creating new possibilities in their fields who will mentor and coach you to develop and expand your contribution over the programme.

Your time will be split between working on live projects and dedicated learning, including 20% of your time dedicated to a mixture of virtual and class-room training. With modules covering an introduction to development, web applications, big data, AI, design and DevOps, you'll have the foundations for a career at the cutting edge of innovation in investment banking and beyond. If successful, you'll finish the programme with a range of industry-recognised qualifications and will be responsible for developing software solutions across the full development life-cycle

If you have the drive to succeed in the fast-paced financial services industry, Deutsche Bank is an exciting, supportive place for you to begin your career.
