## School of Computing, Engineering & Digital Technologies

We are hosting a virtual open day on Saturday 27<sup>th</sup> June where students can expect to speak to all of the staff they would be able to speak to at a traditional open day. This will also include campus tours, chatting to current students, and anything else you would be able to take part in usually. <u>Students can book a place here</u>

# University of Kent

The UK's European university

## Virtual open day Saturday 4<sup>th</sup> July.

Learn more about our programmes, have a chat with current students and see why our academics are the best at what they do. <u>Register</u> here.

## WorKingOptions

Employability sessions for students that can be accessed for free during June and July.

Download our virtual programme for June/July – includes Zoom links

for every session

There is a selection of:

- Insights from Industry Sessions where we invite industry guests to share their career journey stories and top tips on what employers look for. These sessions include an interactive Q&A session which attendees can join in with via the chat function anonymously if they would prefer to remain anonymous.
- Employability skills workshops these are activity-based workshops and cover 4 different topics. We have problem-solving, teamwork, presentation skills and interview skills workshops on offer. These are a great way to get ready for the world of work and prepare yourself for life after education.
- We are currently running these sessions using Zoom and no registration is needed to join a session. For safeguarding reasons, participants will not be seen and all questions addressed to the speakers will be moderated.
