

Careers Bulletin

Monday 22nd March 2021

The Careers Department is open daily from 8.30am to 4pm. We are always happy to see students. To book an appointment please come in person to the office in the LRC. The Careers Bulletin will be emailed to all students weekly, so please look out for it as it includes important information.

The University of Suffolk's 'Making a Difference: Health and Social Sciences Conference' will take place virtually on Wednesday 26 May 2021, 10.00am – 2.30pm.

This interactive conference will offer year 12 students who are interested in studying a healthcare or social science subject at university the chance to:
Take part in interactive taster sessions in their subjects of interest

Hear from current students about life at the University of Suffolk

Receive advice on preparing a strong university application

Find out about what it's really like to work for the NHS

Taster sessions will take place in the following subjects:

Adult Nursing, Children's Nursing, Mental Health Nursing, Diagnostic Radiography, Therapeutic Radiography, Midwifery, Paramedic Science, Childhood, Psychology, Sociology, Criminology and Social Work.

Register via our website at uos.ac.uk/MADconference

EY Apprenticeships and Your Wellbeing - Monday 29 March 5:00pm - 6:30pm.

Young Professionals are proud to be hosting a wellness session exclusively for school and college students in partnership with EY.

We're excited to announce that we'll be joined by A&E TV Doctor, **Dr. Alex George**, who will be talking to us about the importance of looking after our mental health. Dr. Alex has recently been appointed by Prime Minister Boris Johnson as Youth Mental Health Ambassador, so this is a topic he's truly passionate about. We'll be running this session as a Q&A and taking questions from the audience.

We'll also cover a quick introduction to EY and then hear from some of our current apprentices about how they manage their wellbeing at work, with tips on how they stay resilient.

Application Link:

University of Leeds STEM Summer Schools

This year we will again be offering online Summer Schools for students in Year 12.

We're pleased to announce that applications for the Biological Sciences, Food Science & Nutrition and Mathematics Summer Schools are now open.

Please follow the links below to read more about the Summer Schools and make your application.

Apply for the Biological Sciences Summer School [here](#)

Apply for the Food Science & Nutrition Summer School [here](#)

Apply for Mathematics Summer School [here](#)

In2scienceUK summer programme open for applications

The University of Leeds are partnering with In2scienceUK this year. In2scienceUK gives Year 12 students meaningful experiences and expert insights beyond the classroom to support progression to diverse careers within STEM.

Connecting students to experts from across STEM virtually and in-person, the programme gives them the guidance they need to confidently choose their career pathway and produce high-quality UCAS and apprenticeship applications.

More information about the programme can be found [here](#) and interested students can apply [here](#).

The application deadline is 9 April 2021

Environment Futures

For Year 12 students interested in applying to study geography and environment related courses at university.

We're excited to launch our new online Environment Futures programme for Year 12 students. Designed to help you develop your insight into the various courses and what it's like to study at a Russell Group University.

The programme will also help you develop your skills and subject knowledge, giving you the opportunity to take part in talks, workshops and other enrichment activities alongside your current studies

Find out more about Environment Futures [here](#)

Apply for a place [here](#)

The deadline for applications is 23:59 on Sunday 18 April 2021.

University of Salford Virtual Events

Are you interested in the arts, media, English or history? Do you want to know how you could study these subjects, and what kind of career you could have at the end of it? If so, join us for a series of online events to hear from students and tutors about where your future could take you.

These Saturday sessions (running 2-3pm) will let you hear from students currently studying with us, and from graduates who have gone on to secure jobs. You'll be able to ask any questions you might have about getting started in a variety of creative industries, and the jobs you could be doing. We're running the below sessions:

- **Art, Design and Fashion (27th March)**
- **Music, Performance and Dance (24th April)**
- **Creative Technologies in Politics, History and English (1st May)**

Making a Career with Words: Studying English at University

Friday 26th March, 12.30-2pm

At this event, you will hear from students, staff, and alumni about why you might consider studying English at University. This event will focus on what happens after you get a degree studying what you love and show you the skills that you can develop while studying English.

[BOOK A PLACE](#)

Higher National Diploma (HND) event Wednesday 31st March, 4-5pm

Our HND courses are designed to give you the hands-on, practical skills needed to prepare you for immediate employment upon finishing your studies. You could study:

Digital Communication and Graphic Design for Business Creative and Digital Media Social Media Content Creation

On Wednesday 31st March, 4-5pm, we are offering you the chance to explore HNDs at Salford with our information event. There will be presentations from staff about the courses and the opportunity to work on live industry briefs, an overview from our industry partners who will discuss the benefits of HNDs and a chance to get your questions answered.

[FIND OUT MORE](#)

Explore Law: virtual taster event

Mooting is the oral presentation of a legal issue or problem against an opposing counsel and before a judge. It is perhaps the closest experience that a student can have to appearing in court. It's also a great way to practice essential skills like preparing an argument and speaking to an audience.

Explore Salford days provide an interactive insight into a specific subject area alongside a wider programme of activity. As part of each day, learners will go on a virtual campus tour and see first-hand where students live, work and relax as well as the great facilities that the University of Salford has to offer. Current students will be on-hand throughout the sessions to answer any questions about University life. Learners will engage in a contemporary moot problem with current students of the University of Salford, who will then demonstrate a live moot in action. There will also be the opportunity to ask questions to the students at the end of the virtual session.

There are two dates available for this event:

Thursday 25th March, 10-11am

Friday 16th April, 1-2pm

To book onto this event, please email outreach@salford.ac.uk

Year 13

Year 13 students going to university in Autumn 2021.

Student Finance is now open for applications.

Go to <https://www.gov.uk/student-finance-register-login> to apply

Our [interactive Next Steps booklet](#) covers everything from what different university offers mean to how to prepare for results day.

Lots of useful advice on responding to offers, applying for accommodation, what to pack for university etc.
