

GCSE MATHS & ENGLISH ADULT EVENING CLASSES

These courses are for adults wanting to take GCSE English or Maths for the first time or for those wanting to re-take it. These nationally recognised qualifications are required for many careers and higher education courses.

HOW TO APPLY

Apply online at:

www.woking.ac.uk/online-application-form

Please state clearly on the form that you wish to apply for the Adult English GCSE Evening Class or Adult Maths GCSE Evening Class.

You must also come to an Information, Advice and Guidance Evening, (see dates on the right) where you will meet the teacher and take an assessment test to make sure that this is the right course for you.

The courses will be held at:

**Woking College Rydens Way,
Woking GU22 9DL**

This test will take about an hour.

**Please bring your passport to the
Information, Advice and Guidance Evening.**

You will be informed within a few days of your assessment test whether you have been accepted on the course. There are limited numbers so students will be accepted on a first come, first served basis from the date of application as long as they fulfil the course criteria.
