

GCSE MATHS & ENGLISH ADULT CLASSES

These courses are for adults wanting to take GCSE English or Maths for the first time or for those wanting to re-take it. These nationally recognised qualifications are required for many careers and higher education courses.

HOW TO APPLY

Apply online at:
www.woking.ac.uk/apply

Please state clearly on the form that you wish to apply for:

- the Adult English GCSE Day Course
- the Adult English GCSE Evening Class
- the Adult Maths GCSE Evening Class.

You must also come for an Information, Advice and Guidance session, (see dates on the right) where you will meet the teacher and take an assessment test to make sure that this is the right course for you.

This test will take about an hour.

Please bring your passport to the Information, Advice and Guidance Evening.

You will be informed within a few days of your assessment test whether you have been accepted on the course. There are limited numbers so students will be accepted on a first come, first served basis from the date of application as long as they fulfil the course criteria.

Information, Advice and Guidance Sessions are held at Woking College:
