

Careers Bulletin Monday 18th May 2020

L2 and Year 13 Students – Where are you off to?

If you are due to leave Woking College this year, we would love to hear about your future plans!

Some of you may be coming back to us in September for further studies 😊, taking up an apprenticeship or full time employment, enjoying a gap year, or heading off to university. Whatever your destination, we'd love to hear from you.

The college must report on the destinations and career path our students choose. **You will have received a link from your tutor which takes you to our Exit Survey which will only take a moment to complete. Please complete your survey as soon as possible** even if you are not certain of your path at the moment.

This is important information for the college, but it's also lovely for us to see how you progress your career and future after your time studying with us.

If you do feel uncertain and would like some careers advice, please email swi@woking.ac.uk to set up a virtual careers meeting with Sarah Williams who is always happy to help.

Thank you for completing the Exit Survey. If you have any further queries, you can contact me at hta@woking.ac.uk

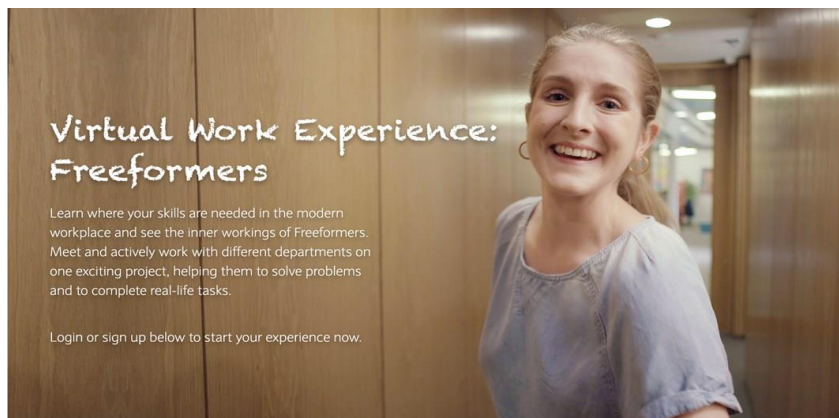

Virtual Work Experience

Visit **Barclays Life Skills** for a virtual work experience opportunity, relevant to all students.

<https://barclayslifeskills.com/i-want-virtual-work-experience/school/virtual-work-experience>

Simply register and take part.

Inside Sherpa offer a number of virtual work experience opportunities. Here are some examples that are more suited to year 12 and 13 students.

The [King & Wood Mallesons Global Introduction to Law Programme](#) (which is specifically designed for high school students/sixth form). For something more stretching, try [White & Case](#).

The [Accenture Discovery Programme](#) is focused on developing a range of soft skills (like communication, stakeholder management and prioritisation) as well as technical skills relating to consulting and innovation.

The [RMP/DBL Work Readiness Programme](#) empowers students to develop skills that are important across all industries and are particularly helpful in the current environment we find ourselves in (e.g. wellbeing, resilience, mindfulness).

These virtual work experience opportunities are all free of charge.

**Swansea
University**
**Prifysgol
Abertawe**

We are holding a virtual open day on Saturday 20th June

This is a good opportunity to have live Q&A sessions with staff and current students, take part in live virtual tours and find out more about the subjects you are interested in.

<https://www.swansea.ac.uk/virtual-open-day/>

Birbeck, University of London

Psychology Taster Event: 20th May 6-8pm

You can register: [Here](#)

This event is for you if you are interested in studying psychology and/or exploring a career as a professional psychologist, a research scientist or other employment within a psychological setting. During our live taster event, we will provide you with an interactive overview of our Department and our courses. We will also introduce you to the course leaders for our different degrees and provide opportunities for break-out sessions with Q&A.

You can also check out our new [Taster Experience Video Library](#) where we information with you about our psychology courses, student support and experiences, careers advice and also allow you to sample lectures.

University of
Kent

Friday 22nd and 29th May - Current student Q and A

The chance to ask current University of Kent students about their courses and their student experience.

Register now and on the day we'll send you a reminder to join us for the talk.

Interested in becoming a police officer with Surrey Police Force ?

Information relating to our career opportunities can be found on our website <https://www.surrey.police.uk/police-forces/surrey-police/areas/careers/careers/>

.

If you have any further questions, or would like to discuss the role, we are more than happy for you to email us at careers@surrey.pnn.police.uk

If you would like a copy of the Recruitment Guide for the Police Constable role, which goes into further information about the role, training, recruitment process and requirements, email Sarah on swi@woking.ac.uk

Live Chat

A great opportunity for you to speak to some of our current students and staff, and to ask any questions you have.

We are holding About Bath: Live Chat events on both Thursday 11 June and Thursday 16 July, and students can sign up for either via our undergraduate virtual experience webpage:

<https://www.bath.ac.uk/topics/undergraduate-virtual-experience/>

Department resources, reading lists, preparing for university, are just some of the many topics covered in these webpages made specifically for **Year 13 students!**

[Sign up here](#)

(personal details will not be requested)

All students - We might not be able to meet you in person, but we will still be able to answer your questions virtually!

Online Open Days

19 & 20 June

11am to 3pm

[Register here](#)

If you have questions about applying and studying at university, we will be running a series of informal online events where students can join our team and take part in these interactive sessions.

These events will be taking place between Tuesday 2nd June and Friday 5th June and students can join any of these topics by using the link in the session titles, sessions should last around 45 minutes. Each topic has two session times so that students can choose which is most suited to their other commitments.

Pathways to Property Online Summer School

The Summer School, which will take place between 20 - 22 July 2020, is a fully funded, 3-day programme held online for Year 12 students. Students will get to sit in on taster lectures, virtually visit various development sites, take part in a group project, learn about the great career opportunities available and get to meet some of the top employers in the industry.

Applications for the Summer School will remain open until 21 June 2020, although early applications are encouraged as places are limited.

Please visit: <https://www.henley.ac.uk/alumni/support-henley/pathways-to-property>

Pathways to Property Open Online Course (OOC)

Designed by academics at Henley Business School, University of Reading, the OOC is an online, free course, requiring around 6 hours of study time and providing learners with the opportunity to explore the industry and the roles within it. To join the current OOC please sign up at: futurelearn.com/courses/pathways-to-property

This course will be available until September 2020

London South Bank University

At London South Bank University we have started delivering open webinars every Wednesday during term time, please see below :

YEAR 13

**Going to university this Autumn ?
Don't forget to apply for Student Finance.
Go to www.gov.uk/student-finance to apply**

Wednesday 20th May

Fledglink employer insight sessions in partnership with bp to promote their September apprenticeship programmes, including Level 4 Software Development.

We will be covering who bp are, their apprenticeship programmes and how to nail the hiring process for September opportunities!

If you are interested in the industry/want to start a role this September, please sign up for the session: <https://www.eventbrite.co.uk/e/104332013862>

GetUReady is our free, eight-week programme that will help students get ready for university. Each Wednesday between 11am - 3pm we're running a series of live online, interactive sessions to help develop study skills and prepare for university life. We'll also have sample undergraduate-level lectures

from our leading academics as well as English language lessons for our international students.

Students can [sign up online](#) and each week we'll send them a link to book sessions for the next event. They can join as many or as few as they want and the programme is open to all - whether they're joining Brunel in September or planning to study elsewhere.

[Book a place](#)

Turn your ideas into reality with a Design degree

By studying [Design](#) at Brunel, students will be supported to enhance both their creative and technical ability. They'll have the opportunity to present their ideas at our [Made in Brunel](#) exhibition.
