Letter from the Principal

Thank you for your interest in Woking College.

Woking College is an oversubscribed and highly successful college of over 1800 students drawing students from more than 60 different schools. Our very successful focus will always be to create the very best environment for high quality of teaching and learning. We have a very broad range of enrichment activities, in order to greatly enhance the cultural capital and future prospects of our students. We place a very strong emphasis on maintaining our wonderful community, we have a more diverse College population than might be thought of as typical for Surrey and we are determined to maintain our inclusive ethos. We are fully committed to innovation whilst maintaining a humane and caring approach for all members of the College community which has resulted in the doubling of the student population in recent years. These approaches have been key to securing Grade 1 'Outstanding' in all seven categories in our October 2022 Ofsted inspection.

Woking College is enjoying record results, very positive value-added and an abundance of applications and quite rightly has a teaching and learning culture which is the envy of other institutions, indeed in recent staff surveys over 95% of College staff said they were proud to work at Woking College!

We believe that our physical environment should also inspire our staff and students. All have benefitted hugely from an impressive transformation of the College's estate over recent years, with the completion of a new Sports Centre (2014), a new Art building (2015) and a modern and larger Science Building (2016). A full size 3G pitch was completed in 2020. A £3m teaching block opened in early 2023, and a further £3m project working collaboratively with the adjacent community centre opened in September 2023 enhancing our Performing Arts facilities even further.

We recognise the advantages of collaboration and have worked hard over the years to build and maintain close working relationships with other education providers and the Local Authority. The College has been a long-standing member of S7, the Surrey and Sussex group of Sixth Form Colleges, arguably the leading college consortium nationally, and we look forward to continued positive engagement with schools, colleges and the local community for the benefit of all.

With strong leadership from our passionate and committed senior leadership team, and with the support of excellent teaching and support staff across all areas, we look forward to the continued evolution of the College; we also look forward to meeting committed, engaging and passionate people who want to join us to further enhance the life-chances and choices of our students – which is of course our main mission as educators.

We very much look forward to receiving your application.

Brett Freeman
Principal

The College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post is exempt from the Rehabilitation of Offenders Act 1974 and successful applicants will be subject to Enhanced Disclosure and Barring Service (DBS) checks. The College is committed to equal opportunities.

The Role

The College is looking to appoint a part-time Media Technician (term-time only) to provide high-quality support to both staff and students, providing technical expertise and maintaining specialist equipment. The successful applicant will be proactive, technically skilled, approachable and passionate about media production and education, who can contribute positively to a collaborative and creative departmental environment.

This position involves a strong focus on supporting teaching and learning, providing hands-on technical support to both staff and students, and will assist in group workshops focused on filming, editing and the use of relevant software, therefore enabling students to develop practical media production skills and overcome technical challenges. The successful candidate will develop supporting resources, such as user guides and troubleshooting materials, to enable students to work more independently and confidently with media equipment and software and will be responsible for the maintenance and management of audio-visual equipment.

The College has a strong sense of community, and the new academic year will see the current Deputy Principal progressing to the role of Principal, affording the College the opportunity to build on its strong foundations of leadership while looking ahead to the new phase of our development. This is therefore an exciting time to join our Media Department team.

We are looking for exceptional candidates who can inspire our students and contribute positively to the department. We expect high performance from all our staff and candidates should demonstrate both their suitability for the role and their alignment with the College's values. After reviewing the job description, we strongly encourage candidates to explore our website to gain a deeper understanding of our ethos, ambitions and community.

Start Date: Tuesday 25 August 2026 – or as soon as possible after this date

Hours: 8 hours per week, over 2 days per week, term-time only (totaling 39 weeks per year).
Hours will be worked across the middle of the day to ensure support is available across the lunch period.

For info, the standard College day is Monday to Friday from 8.30am to 4.00pm.

Salary: Actual pro rata salary: £4,921 pa inclusive of fringe allowance for 8 hours per week, term time only
FTE £26,500 pa, inclusive of fringe allowance

The Department

The Media and Film Department is a vibrant and highly successful area of the college. Following successful student recruitment the department offers a wide range of A Level and Vocational courses, all of which require students to create print and moving image productions. Wider opportunities are offered to students outside of the curriculum, with students regularly entering National Film Competitions and producing projects for local community groups.

The department hosts a range of extra-curricular activities, including recent trips to Sky Sports and Pinewood Studios, and guest speakers from local universities and returning alumni. Our expectations are high and our students value the support that the department offers to ensure they excel and meet their potential. This includes regular study support workshops, bookable 1:1s for personalised support, target setting and an intensive revision programme, as well as focusing on exam skills and improving literacy.

2025 exam results were excellent with a 100% pass rate in Media Studies, Film Studies and Digital Media. All students studying Vocational Courses undertake work experience and are supported in this by the department and the Work Experience/Careers team, who also provide extensive support for progression to university, apprenticeships or students going straight into the workplace.

The Media Department offers the following courses:

- A Level Media Studies (EDUQAS)
- A Level Film Studies (EDUQAS)
- CTEC Digital Media – Extended Certificate (Level 3)
- Digital Media – BTEC Level 2 Certificate
- Digital Media – BTEC Level 2 Diploma

The department is located on the ground floor of the main College building and offers 3 spacious classrooms, an editing suite, Media Studio and a department workroom, and the team consists of a Head of Department plus 5 teaching staff. Most teaching staff at the College are tutors and there is dedicated tutor group time each week with a pastoral programme, overseen by the Heads of Year team.
