## Letter from the Principal

Thank you for your interest in Woking College.

Woking College is an oversubscribed and highly successful college of over 1800 students drawing students from more than 60 different schools. Our very successful focus will always be to create the very best environment for high quality of teaching and learning. We have a very broad range of enrichment activities, in order to greatly enhance the cultural capital and future prospects of our students. We place a very strong emphasis on maintaining our wonderful community, we have a more diverse College population than might be thought of as typical for Surrey and we are determined to maintain our inclusive ethos. We are fully committed to innovation whilst maintaining a humane and caring approach for all members of the College community which has resulted in the doubling of the student population in recent years. These approaches have been key to securing Grade 1 'Outstanding' in all seven categories in our October 2022 Ofsted inspection.

Woking College is enjoying record results, very positive value-added and an abundance of applications and quite rightly has a teaching and learning culture which is the envy of other institutions, indeed in recent staff surveys over 95% of College staff said they were proud to work at Woking College!

We believe that our physical environment should also inspire our staff and students. All have benefitted hugely from an impressive transformation of the College's estate over recent years, with the completion of a new Sports Centre (2014), a new Art building (2015) and a modern and larger Science Building (2016). A full size 3G pitch was completed in 2020. A £3m teaching block opened in early 2023, and a further £3m project working collaboratively with the adjacent community centre opened in September 2023 enhancing our Performing Arts facilities even further.

We recognise the advantages of collaboration and have worked hard over the years to build and maintain close working relationships with other education providers and the Local Authority. The College has been a long-standing member of S7, the Surrey and Sussex group of Sixth Form Colleges, arguably the leading college consortium nationally, and we look forward to continued positive engagement with schools, colleges and the local community for the benefit of all.

With strong leadership from our passionate and committed senior leadership team, and with the support of excellent teaching and support staff across all areas, we look forward to the continued evolution of the College; we also look forward to meeting committed, engaging and passionate people who want to join us to further enhance the life-chances and choices of our students – which is of course our main mission as educators.

We very much look forward to receiving your application.

Brett Freeman  
Principal
