

Teacher of IT

Full-time/Part-time

Application Pack

Letter from the Principal

Thank you for your interest in Woking College.

Woking College is an oversubscribed and highly successful college of over 1800 students drawing students from more than 60 different schools. Our very successful focus will always be to create the very best environment for high quality of teaching and learning. We have a very broad range of enrichment activities, in order to greatly enhance the cultural capital and future prospects of our students. We place a very strong emphasis on maintaining our wonderful community, we have a more diverse College population than might be thought of as typical for Surrey and we are determined to maintain our inclusive ethos. We are fully committed to innovation whilst maintaining a humane and caring approach for all members of the College community which has resulted in the doubling of the student population in recent years. These approaches have been key to securing Grade 1 'Outstanding' in all seven categories in our October 2022 Ofsted inspection.

Woking College is enjoying record results, very positive value-added and an abundance of applications and quite rightly has a teaching and learning culture which is the envy of other institutions, indeed in recent staff surveys over 95% of College staff said they were proud to work at Woking College!

We believe that our physical environment should also inspire our staff and students. All have benefitted hugely from an impressive transformation of the College's estate over recent years, with the completion of a new Sports Centre (2014), a new Art building (2015) and a modern and larger Science Building (2016). A full size 3G pitch was completed in 2020. A £3m teaching block opened in early 2023, and a further £3m project working collaboratively with the adjacent community centre opened in September 2023 enhancing our Performing Arts facilities even further.

We recognise the advantages of collaboration and have worked hard over the years to build and maintain close working relationships with other education providers and the Local Authority. The College has been a long-standing member of S7, the Surrey and Sussex group of Sixth Form Colleges, arguably the leading college consortium nationally, and we look forward to continued positive engagement with schools, colleges and the local community for the benefit of all.

With strong leadership from our passionate and committed senior leadership team, and with the support of excellent teaching and support staff across all areas, we look forward to the continued evolution of the College; we also look forward to meeting committed, engaging and passionate people who want to join us to further enhance the life-chances and choices of our students – which is of course our main mission as educators.

We very much look forward to receiving your application.

Brett Freeman
Principal

The Role

The College is looking to appoint an inspiring and enthusiastic teacher to deliver Vocational IT & Computing up to Level 3. We are looking for a full-time or part-time member of staff with strong knowledge and a genuine passion for IT-related subjects from the start of the academic year 2026/2027. You may be interested in other IT-related subjects such as Computer Science or Games Development or would prefer a varied timetable combined with Vocational Business. We aim to be as flexible as possible and will endeavour to tailor your timetable to your strengths.

The College has a strong sense of community, the new academic year will see the current Deputy Principal progressing to the role of Principal, enabling the College the opportunity to build on its strong foundations of leadership while looking ahead to the new phase of our development. This is therefore an exciting time to join our dynamic IT & Computer Science team.

Applications from ECTs and Teachers in Schools and Sixth Form College sectors are welcome. A full mentoring programme is provided to introduce all new staff to sixth form college systems and procedures and to support and encourage professional development. We are looking for exceptional candidates to join the team and inspire our students. We expect high performance from all our staff and candidates should demonstrate their ability and suitability to both the role and the culture of the College. After reviewing the job description, we strongly encourage candidates to explore our website to gain a deeper understanding of the College's culture, values, and aspirations.

Start Date: Tuesday 25 August 2026

Salary: £34,806 to £53,055 pa FTE, including fringe allowance, depending on experience.

The Department

The IT and Computer Science Department is a highly successful and growing area of the College, delivering a broad curriculum that reflects the fast-moving digital sector. The team offers a diverse range of academic and vocational programmes, which provide strong progression into higher education, apprenticeships and employment:

- A Level Computer Science
- Computing: AAQ (Level 3 vocational)
- Information Technology: Award and Extended Certificate (Level 2 vocational)
- Information Technology: AAQ (Level 3 vocational)
- Information Technology: National Diploma (Level 3 vocational)
- Digital Games Production: National Extended Certificate (Level 3 vocational)

The department is led by a Head of Department and supported by a team of 6 teachers who work collaboratively to deliver engaging, industry-relevant learning experiences. As part of the College's strong pastoral provision, most teaching staff also act as tutors, with dedicated weekly tutor group time and a structured pastoral programme overseen by the Heads of Year team. Student recruitment continues to increase, and the department takes a proactive approach to curriculum development to ensure it remains responsive to student interest and industry demand.

Students benefit from access to a wide range of specialist software such as Adobe Creative Suite, advanced 3D modelling and development tools. Programming and computational thinking are embedded throughout the curriculum, enabling students to develop strong problem-solving skills and technical confidence. Learning is further enriched by a series of extra-curricular activities, including C# programming, games development clubs, participation in the Bebras Computational Thinking Challenge, and targeted workshops to support students beyond the classroom.

Many students progress to study IT and computing-related degrees in areas such as Digital Art, Games Design, Animation and Multimedia Technology, or enter apprenticeships within the creative and design industries. Strong links with higher education institutions and industry partners enable students to work alongside professionals, while all vocational students undertake meaningful work experience, supported closely by the department and the Work Experience and Careers teams.

The College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post is exempt from the Rehabilitation of Offenders Act 1974 and successful applicants will be subject to Enhanced Disclosure and Barring Service (DBS) checks. The College is committed to equal opportunities.

Job Description

Post Title: Teacher (Full-time/Part-time)

Responsible: Head of Department

Job Purpose: Teaching and developing within Curriculum Area(s) in the College

Job Responsibilities

1. To work with those teaching within the Department to create an environment in which the aims of the Department, Curriculum and College can be achieved.
2. To attend regularly meetings of the Department and, when requested, the Curriculum Area, to enable issues relating to the Department, Curriculum Area and College to be discussed.
3. To assist in the provision of appropriate courses and the promotion of activities to provide for and support the learning needs of students within the Department.
4. To fulfil one's own responsibilities as a teaching member of the Department, in accordance with the quality standards of the Department.
5. To promote:
 - i) the Department's contribution to the cross-curricular work in the College
 - ii) the opportunities offered by the Department to students not taking an examination course.
 - iii) the use of ICT in the classroom teaching and learning.
6. To work to improve one's professional performance by taking advantage of the department's opportunities to develop skills and broaden experience and participating in the College's appraisal arrangements.
7. To assist in managing effectively and efficiently the physical resources of the Department. In particular, to:
 - i) consider the use of accommodation and to make recommendations to the Head of Department for its continued and improved use
 - ii) suggest suitable items for departmental expenditure
 - iii) observe the College's health and safety policies and encourage safe working practices.
8. To assist in the arrangements within the Department for the induction of students and monitoring progress, offering guidance to students where necessary and liaising with parents where appropriate.
9. If required, to be a personal tutor, and subject to timetabling, to meet the responsibilities defined by the College for personal tutors and be answerable in that context to the Principal.
10. To assist in the arrangements made for students to receive advice on courses in Higher Education and Career opportunities related to, or progressing from those in the Department, ensuring that references are produced when requested.
11. To assist in the setting up and organisation of College examinations in the subjects covered by the Department and assisting, where necessary, the Examinations Officer in the supervision of public examinations.

12. To ensure that departmental records are kept up to date. To share in the recording and analysis of internal examinations, Alps and external examination results and, with the Head of Department, take whatever action is necessary to sustain and improve performance by students.
13. When necessary and appropriate, to represent the Department at meetings and to publicise the work of the Department at the various events in the College and its partner schools.
14. To act at all times in accordance with the College's Equality & Diversity policies.
15. To act at all times in accordance with the College's Safeguarding policy. Ensuring the safeguarding of students at the College, recognising one's own role in liaison with the designated safeguarding team.
16. To contribute to the safety policies of the College as directed by the Principal and to ensure that Health & Safety Regulations are observed within the Curriculum Areas and within the College in general.
17. To take part in the training programmes provided by the College and agree to the process of professional reviews.
18. To undertake any other particular duties which may be reasonably assigned to you by the Principal from time to time.
