

Summer work for year 12 French learners

Next academic year you will be expected to raise your cultural awareness linked with the French cultural heritage (unit 4). Mindful of this enclosed a few links which will give you valuable insight into the above-mentioned topic. The tasks below are differentiated ie they offer increasingly challenging tasks.

Do research work on a famous monument or site for example **Le Mont St Michel or the fortified city of Carcassonne**.

Your work to be done on a power point and to include information on same. This info can include audio recordings in French, video clips, images and reviews by visitors. Your research should be based on the following headlines:

- Géographie: location. **Niveau 1**
- History: when it was built, why it was built and who decided its building. **Niveau 1**
- Is it a listed building? Does it belong to the **UNESCO world heritage list?** **Niveau 1**
- How is it used nowadays? **Niveau 1**
- How was it used and by whom? **Niveau 1**
- Who made it famous? **Niveau 1**
- Historical importance. **Niveau 2**
- Main sights. **Niveau 2**)
- Give details about the architect, designer or person who started the building project. **Niveau 2**
- Cultural aspects: fine arts, poetry, style (gothic, roman) **niveau 3**
- In your opinion why was it chosen to be on the list? Write about 100 words using at least 4 different tenses. **Niveau 4**
- Has mass tourism affected this building? Write about 100 words using at least 4 different tenses. **Niveau 4**
- Propose solutions to protect this building. Write about 100 words using at least 4 different tenses. **Niveau 4**
