28th April 2020

Dear Woking College applicant, and your parents and carers

I am very much looking forward to meeting you at enrolment in the week commencing 24th August and in the meantime I wanted to write to you to reassure you that Woking College is with you every step of the way in your transition to 6th Form education.

I also want to reassure you that there will be lots of help and guidance available when you receive your GCSE results and at your enrolment in August.

Right now there are areas of study that you can make a start on to help you get ready for when you join Woking College. If you go to the front page of our website under Information for Year 11's you will find study resources and exercises that will help you explore and get ready for your new courses.

All subject packs are available on <https://woking.ac.uk/year-11-transition-work/> Contact details of the Heads of Department are within each pack should you need any additional help or information.

Please use our website as the main source of updates and do not hesitate to contact us if we can help in any way. If you have questions about your application contact our Admissions Officer, Wendy Hunt, via email on admissions@woking.ac.uk

I look forward to meeting you in the near future.

All the very best to you and your family.

A handwritten signature in black ink, appearing to be 'Brett Freeman'.

Brett Freeman Principal
