## **The NDEC Women in Cyber Virtual Work Experience Day**

**8<sup>th</sup> March 10am to 2pm**

**Duration 1 Day/s**

**Industry: STEM; Information Services**

**Department(s): IT/Cyber Security**

**Closing Date: 17/02/2021**

The National Digital Exploitation Centre (NDEC) is a joint initiative by the Welsh Government, tech company Thales, and the University of South Wales, to support digital growth across Wales. It does this by providing expertise in cyber security, project space and support, and research and development opportunities, along with education and training to help people into the industry, or to grow their personal cyber skills.

Currently, only 31% of the cyber security workforce in the UK are women, so for International Women`s Day, the NDEC will virtually open its doors to show female students what it is like to work in the sector in an effort to inspire them to consider a future in cyber!

This experience is aimed at female students in Wales aged 14+ however, it is open to application to female students across the whole of the UK.

## **Island conservation: protecting global biodiversity**

**15 Feb 2021 18:00 - 19:30**

Offshore islands are some of the most important sites on the planet for conservation, hosting an estimated 15-20% of all known mammal, bird, amphibian and plant species.

With speakers from ZSL, the South Georgia Heritage Trust and the RSPB, we'll highlight the threats to island biodiversity. Revealing how conservation science is put into practice to help protect biodiversity on remote islands in the UK Overseas Territories, we'll discuss the ways in which conservationists and practitioners can become involved with this increasingly important field.

This interactive online event will be livestreamed to our YouTube channel, which can be found here: [zsl.org/loZYouTube](https://www.zsl.org/loZYouTube). We will also share a direct link to the livestream nearer the event.

There will be the opportunity for questions from the audience during the event.

## **RAPP Insight Day**

**23rd February 2021 4pm to 6.30pm**

**Duration 1 Day/s**

**Industry: Marketing, Communications, PR**

**Department(s): Technology, Marketing & PR, Digital Media & Publishing, Digital & Online, Analysis, Advertising Sales & Marketing**

**Closing Date: 22/01/2021**

We are RAPP, an award winning creative agency that works with some of the world's best brands from Virgin Media and BBC through to Samsung, Mercedes-Benz, Ralph Lauren and IKEA.

We create advertising and marketing that uses data and technology to allow these brands to treat millions of customers as individuals. That includes everything from digital advertising for Ford (which we do across Europe) through to social and influencer campaigns for BBC Sport or TV adverts for PayPal.

What makes us special is the ability to use data, science and marketing automation to do what we do at massive scale, adapting our advertising to meet the needs on each customer. In fact, we even know how to change our advertising based not just on what you looked at or bought online, but on your personality and what will appeal to you at a subconscious level!

Our Insight Day is designed to introduce you to our world. You'll hear from some of our amazingly talented individuals from all areas of the agency; from Client Leadership and Project Management, to Creative, Strategy, Marketing Science and New Business and Marketing.

You'll hear about what a typical day in the life of involves and some hints and tips about how you can kick start a career in advertising and marketing.

## Law Virtual Work Experience

15<sup>th</sup> to 26<sup>th</sup> February 2021

You do not need to be available full time during those dates, but you do need to be able to complete 10 hours worth of activity over the two weeks.

During this free two week virtual work experience programme you will meet a range of industry professionals from various legal areas of Law who will give you an overview of their experiences, both qualifying and within the industry, with opportunities for Q&A.

You will learn about some of the key roles and responsibilities of Law practitioners throughout this programme, including legal research, advocacy & client communication, contractual interpretation and legal analysis & drafting. The programme will also include a vital pathways module, which will direct you on what to do next, how to apply, and what institutions you should be considering for your further study. There will also be a range of quizzes and meaningful activities to spark your interest in Law as an industry, and give you a further insight into what it really means to work in the field.

The virtual work experience programme involves around 10 hours of activity. You can complete the work over 2 weeks, meaning you can fit it around your schedule (whether that be school or college). There are live webinars to get involved in, but if you're unable to attend these you can watch recordings on-demand.

During this two week programme you will cover the following areas:

- **Introduction** to Law as an industry
- **Legal Research** – including what legal research is, the purpose of legal research, the types of Legal Research and an overview of the legal research process.
- **Advocacy & Client Communication** – including why client communication is so important, tools for effective client communication, why becoming a good advocate is so important, tools for effective advocacy, best practices, communication security & ethics and considering the whole client journey.
- **Contractual Interpretation** – including the main principles of contractual interpretation, orders of precedence or priority clauses and condition precedents.
- **Legal Analysis & Drafting** – including what legal analysis & drafting is, why legal drafting is important, what the role is of legal language in law and examples of pleading.

The deadline for applications is February 1<sup>st</sup>

## **Journalism Virtual Work Experience**

**15<sup>th</sup> to 26<sup>th</sup> February 2021**

**You do not need to be available full time between those dates, but you do need to be able to complete 10 hours worth of activity over the two weeks.**

During this free two-week virtual work experience programme, you'll take an in-depth look at print, broadcast and photojournalism as well as a variety of roles within the industry. You'll meet professionals working in many of these areas and roles in webinars, which will give you a chance to ask them your questions. Finally, you'll complete work and assignments to get an understanding of what life in the journalism industry is like.

The virtual work experience programme involves around 10 hours of activity. You can complete the work over 2 weeks meaning you can fit it around your schedule, whether that be school or college. There are live workshops, but don't worry if you're unable to attend – you can watch recordings on-demand.

During this two week programme you'll cover the following areas:

- The journalism industry: Its core values, career opportunities, and its place in modern culture
- Print journalism: Newspapers, magazines and the roles within an editorial team
- Broadcast journalism: TV, radio, typical job roles, and the UK's broadcast media providers
- Photojournalism: What it is, how to get into it, and what makes a great photograph
- News copy editing, news production, and presenting
- Tips for getting started in the industry: From pitching yourself to building a portfolio of your work.

**The deadline for applications is February 1st 2021.**

## Finance

### Virtual Work Experience

15<sup>th</sup> to 26<sup>th</sup> February 2021

You do not need to be available full time between those dates, but you do need to be able to complete 10 hours worth of activity over the two weeks.

During this free two-week virtual work experience programme you'll learn about a range of financial services sectors including accountancy, banking and insurance. You'll meet, and have the chance to question and interact with, professionals from each of these key sectors. You'll learn about the day-to-day lives of these professionals as well as the pathways they took to their current roles. Finally, you'll complete work and assignments which will help you gain a broad understanding of the finance industry

The virtual work experience programme involves around 10 hours of activity. You can complete the work over 2 weeks, meaning you can fit it around your schedule – whether that be school or college. There are live workshops, but don't worry if you're unable to attend these – you can watch recordings on-demand.

During this two week programme you'll cover the following areas:

- An overview of the UK's financial industry
- Accountancy: its theory and the associated ethics and laws
- The UK tax system
- Banking, including investment banking, auditing, trading, security and fraud
- Insurance: you'll learn what's involved in broking, claims handling, and surveying
- Financial advice, including investment, mortgage and pensions advice

What you need to do to get your first job in the industry. Do you need to go to university? Can you do an apprenticeship? We're confident that this session will give you a clear idea of how to get into Finance.

Closing date 1<sup>st</sup> February.

## **East West Railway Company - Building a New Railway**

**6<sup>th</sup> to 9<sup>th</sup> April 2021**

**Duration 4 Day/s**

**Industry: Construction**

**Department(s): Transport, Technology, Operations, Engineering, Development, Design, Customer Services, Communications, Commercial, Business**

**Closing Date: 28/02/2021**

Join us for a week's work experience and get involved in one of the UK's most important infrastructure projects, East West Rail. Help us design and implement this new direct rail connection linking the communities between Oxford and Cambridge that are well-known for their vibrant economy, educational excellence and scientific innovation. Set up two years ago to accelerate the delivery of the project, we aim to innovate, positively disrupt, and challenge the status-quo.

If you are interested in Technology, Engineering, Planning, Business Studies, Design and/or Customer Services this is the work experience for you. You will be given an insight into how a large infrastructure project works and the variety of roles that make up the industry. You will work with experts from across our organisation to get a feel for all the skills that are needed to bring a new railway to life.

You will work virtually in small teams with other students and will be supported as you gain experience of our core business functions including Engineering, Programme Controls, Delivery, Strategy, Customer Services, Communications and Human Resources.

## **Social Impact Market Research - Virtual Work Experience**

### **Humankind Research**

**24<sup>th</sup> February 2021**

**Duration 1 Day/s**

**Industry: Research**

**Department(s): Analysis**

**Closing Date: 24/02/2021**

Are you interested in people and why they think, feel and act in the way they do? Ever wondered what that means for the decisions that businesses, charities and governments make? At Humankind Research we spend our time understanding people in order to help organisations develop products, communications and programmes for positive change. Our work covers a huge range of topics, from exploring peoples` attitudes and behaviours related to the environment in the UK to understanding girls` relationship to sport and physical activity around the world. We do this for a range of clients from Nike and Unilever to the NHS and Oxfam.

On this virtual work experience you will have an introduction to what market research is, understand how a typical project runs and what it involves, and explore some examples of how we approach research problems. You will even have an opportunity to try out some interview techniques to get to the heart of an issue and go beyond what people say to what they really mean.

## **The Man Group Infrastructure Insight Day**

**Man Group**

**16<sup>th</sup> February 2021**

Duration : 1 day

Industry:Banking & Finance

Department(s):Banking & Investments

Closing Date: 26/01/2021

The Man Group Infrastructure Insight Day will run from 10.30-3.30 and aims to inform students about the variety of career opportunities that can be pursued within an Investment Management firm.

We are hoping to de-mystify the notion that the industry can only be accessed by individuals who are looking to become Investment Managers, and introduce other departments, such as HR, Legal and Finance, that offer career opportunities roles for talent from all kinds of backgrounds.

Students will learn what a hedge fund is, and get an overview of Man Group and the firm's Infrastructure teams. Light will be shed on what it is like to work within different department and offer advice on job applications.

**Virtual Work Experience with a leading  
Construction/Engineering/Infrastructure/Design Company**

**BMJV**

**15<sup>th</sup> to 19<sup>th</sup> February 2021**

**Duration 5 Day/s**

**Industry: Construction**

**Department(s): Environmental, Engineering, Design, Community Engagement**

**Closing Date: 05/02/2021**

Morgan Sindall Infrastructure and partners work on the M27 Junction 4 to 11 Smart Motorway Upgrade on behalf of Highways England.

Smart motorways use innovative technology to manage traffic, ensuring that the motorist's journey time is more reliable. Using variable speed limits, overhead signs and CCTV, smart motorways help to tackle congestion, while supporting the local economy.

This work experience opportunity will enable you to understand more about working in the sector, while opening your eyes to a number of different career paths you may not have known even existed. Through spending time with different departments and functions, you will learn about how they each play a part in completing the project. Over the course of a week you'll then prepare your own project, which you will present to us at the end of the week.

There will be opportunities to speak to apprentices as well as people at different stages of their career, and find out more about their journey to the role they are in.

Departments you will speak with include: engineering, design, digital engineering, technology, health and safety, environment, procurement, project management, technology and traffic management.

## **Tourism Insight Day with VisitBritain/VisitEngland**

### **VisitBritain/VisitEngland**

**19<sup>th</sup> February 2021**

**Duration 1 Day/s**

**Industry: Tourism**

**Department(s): Press & Marketing, PR/Press, Mixed, Marketing & PR, Leisure, Events management/ Hospitality, Digital & Online, Corporate, Communications, Business**

**Closing Date: 19/01/2021**

This is an exciting opportunity to gain insight into working for the national tourist board.

Tourism is currently worth £127 billion to Britain's economy and as Britain's seventh largest export industry, inbound tourism's economic contribution is currently valued at £26.2 billion.

VisitBritain/VisitEngland are non-departmental public bodies, funded by the Department for Digital, Culture, Media & Sport (DCMS). The organisation plays a unique role in building England's tourism product through raising Britain's profile worldwide, increasing the volume and value of tourism exports, growing the UK's valuable business events sector and developing England and Britain's visitor economy.

Working with a wide range of partners in both the UK and overseas, our mission is to make tourism one of the most successful and productive sectors for the UK economy.

The VisitBritain/VisitEngland insight day has been created to provide students with a view into the world of tourism. Throughout the day the team will share what they do and will also give those taking part the opportunity to get involved in a group challenge.

**Construction Management Virtual Work Experience -  
Future Leaders Wanted!**

**Willmott Dixon Construction Joint Venture**

**15<sup>th</sup> to 19<sup>th</sup> February 2021**

Duration 5 Day/s

Industry: Construction

Department(s): Building Management

Closing Date: 31/01/2021

**This opportunity is being delivered by four National construction companies,  
Amey, Balfour Beatty, Wates and Willmott Dixon.**

Are you looking for a career in management?

Do you think construction is a dirty, low paid profession?

This Construction Management Careers Virtual Work Experience introduces you to  
management careers in construction.

- develop your employability skills
- work with other participants on a group project
- learn how to pitch, and present your project Dragon's Den style by the end of the week
- live and pre-recorded sessions provide insight into construction
- engage with our people and hear about their career journey
- receive top tips from our recruitment team to improve your CV and interview skills
- make and deliver a short presentation about yourself

We are looking for our future leaders. Come along and see if that's you!

**Your Army - a compelling live-hosted video presentation  
about the Army – Virtual Insight Day**

**16<sup>th</sup> or 17<sup>th</sup> February 2021**

**Duration 1 Day/s**

**Industry: Defence**

**Department(s): Youth Engagement**

**Closing Date: 16/02/2021**

Every year thousands of young people join the Army. For some it's a way of doing a paid apprenticeship and leaving after 4 or 5 years with a free driving licence and new set of skills and qualifications and the confidence to start a career in a new sector. For others, they love the feeling of belonging the Army gives you so much they decide to stay with it and develop their skills as a leader in a full Army career.

But what is the Army? What does it do, and how does it work? What skills and activities does it offer. What is life as a soldier like? And how does the Army contribute to society?

Join our Your Army session, and you'll find out. This live hosted events has a mix of cool videos and visuals with which we talk you through all aspects of the Army's role in Britain and around the world. There will be live question and answer session with some young soldiers who took the chance of joining the Army a few years ago, and they'll give you their honest opinions. There will be some banter and laughs. And perhaps a discussion about some of the attributes and skills we build in our people through some of the best training in the world, such as confidence, resilience, and STEM skills.

This is a very general presentation, which you'll find informative even if you have no interest in joining.

However if you enjoy it, look out for some of the others sessions we'll be offering on this site.

## **Santander - Skills overview and interview practice workshop**

**16<sup>th</sup> February 2021, 10-11am**

***\*\*\*Please look at all Santander opportunities with Speakers for Schools – I have not listed them all but a variety of dates and sessions available. \*\*\****

**Duration 1 Day/s**

**Industry: Banking & Finance**

**Department(s): Banking & Investments**

**Closing Date: 25/01/2021**

Want to know more about the world of work and the career paths available to you after you finish school? Do you need a trusted interactive resource to be able to find out more about how to become an entrepreneur? Are you looking for good and bad example of CV's and example activities used in assessment centres? Finally, would you like to be able to talk to a colleague at Santander or attend a practice assessment centre...?

Workwise is coming soon to you, where you will find all the above and more to help guide you through to your next steps whatever they might be! Here at Santander one of our behaviours is showing support and during the pandemic we know it has been difficult for you to be able to get the work experience or face-to-face time with companies to help you shape your future.

This is the first in our series of workshops where you will get the chance to talk to a colleague at Santander about key skills, how to prepare for a virtual interview and assessment centre, and ask our graduates & apprentices questions.

In this one hour workshop at 10am you will:

- Understand how large organisations are structured and operate
- Know what skills and qualifications you need to get into a particular area
- Learn how taxes, national insurance, pensions and holidays work within a company
- See what becoming an entrepreneur looks like and how entrepreneurial you are
- How to write a cv and prepare for a virtual interview and assessment centre
- Attend a live virtual assessment centre
- Have the chance to ask our Graduates and Apprentices any questions you have

**\*\*\*NEW 7<sup>th</sup> Dec \*\*\***

## **Nestlé Employability Skills Programme**

**15<sup>th</sup> to 19<sup>th</sup> February 2021**

Nestlé are one of the world's biggest food and drink manufacturers. They have more than 2000 brands ranging from global icons to local favourites, and are present in 187 countries worldwide.

In February 2021 Nestlé's Academy are running their first employability skills programme and you're invited to apply for it.

The Nestlé Academy offers you the chance to develop your skills and gain experience in a vibrant global business.

During this one week employability skills programme you'll meet members of their team, learn about core areas of their business and complete activities and assignments. There are live virtual workshops as part of the programme but if you're unable to attend these live recordings will be made available. Once you complete the programme you will receive a certificate.

The programme will run from the 15th until the 19th of February. There will be around 10 hours of activity that you can fit around your schedule.

### **What you'll cover:**

- Welcome to Nestlé
- The world of work
- Project management
- Data analytics
- Communication
- Digital Skills
- Getting workplace ready
- 

**Applications will close on February 1st 2021**

**\*\*\*NEW 7th Dec \*\*\***

## **Teaching Virtual Work Experience**

**15<sup>th</sup> to 19<sup>th</sup> February 2021**

During this free two week virtual work experience programme you will meet a range of teachers from different sectors who will give you an overview of their experiences, both qualifying and within the industry, with opportunities for Q&A.

You will learn about some of the key roles and responsibilities of a teacher throughout this programme, including planning, lesson delivery, grading & attainment and safeguarding. The programme will also include a vital pathways module, which will direct you on what to do next, how to apply, and what institutions you should be considering for your teaching qualification. There will also be a range of quizzes and meaningful activities to spark your interest in teaching, and give you a further insight into what it really means to become a qualified teacher.

The virtual work experience programme involves around 10 hours of activity. You can complete the work over 2 weeks, meaning you can fit it around your schedule (whether that be school or college). There are live webinars to get involved in, but if you're unable to attend these you can watch recordings on-demand.

The programme will take place between 15th and 19th February 2021 You do not need to be available full time during those dates, but you do need to be able to complete 10 hours worth of activity over the two weeks.

**The deadline for applications is 1st February 2021**

**\*\*\*NEW 30<sup>th</sup> Nov\*\*\***

## **Work Experience Week – Nursing - NHS**

**15<sup>th</sup> to 19 February 2021 – Half Term**

**Duration 5 Day/s**

**Industry Health**

**Closing Date 25/01/2021**

During the Virtual Work Experience you will take part in a range of sessions, meet nurses working across the different branches of nursing and in different roles, and gain knowledge of skills needed to start a career in nursing and other fields. You will take part in interactive sessions, talks and tasks, and have lots of opportunities to ask questions.

You will find out about different areas of nursing (adult nursing, children`s nursing, learning disability nursing, and mental health nursing) and some of the different roles available; how you can get into nursing, and what you can do now to get the skills you need to apply. You`ll get to meet a variety of nurses and hear their stories and advice, including how they have developed their career, the impact Covid-19 has had on them and their role, and what they love (and hate) about being a nurse.

You will need to have internet and computer access for the duration of the week.

Somewhere quiet to work from 9am – 3pm, Monday to Friday. Lunch and breaks will be taken during the day to be arranged during the work experience. We`ll send you a full schedule the week before. The work experience is delivered using Google Classrooms that meets all GDPR and Safeguarding requirements. You will need to join each session every day
