<a href="#">Degree Apprenticeships</a>	13/4/21	13:00-14:00
<a href="#">Student Life in London</a>	14/4/21	13:00-14:00
<a href="#">Student Budgeting Workshop</a>	15/4/21	13:00-14:00

## Subject Insight Webinars

Find out more about the wide range of subjects you can study at Leeds. Whether you're interested in a topic you already enjoy at school/college or would like to learn something completely new, our subject-specific webinars explore a variety of degree options from geophysics to history, sociology to engineering. We'll cover course content, entry requirements, and career opportunities.

Find out more and book your place by completing our

[Subject Insight registration form.](#)

Our Explore events offer students the chance to attend taster sessions led by the University of Bristol. Students accepted onto the course will receive preliminary material to explore in their own time the week preceding the events. Take a look at our short [Explore video](#). Students can [sign up here](#).

## Explore New Options in Arts and Social Sciences - Year 12

Join us for two online events for students interested in finding out about Arts or Social Science subjects at Bristol. The event consists of a live text chat with academic staff and students to discover new subjects and course combinations, from Archaeology and Anthropology, Joint Honours with Languages or subjects such as Education Studies, Social and Public Policy, Accounting and Finance. Students can register their interest by using the [sign up form](#).

## Studying a STEM subject - Year 12

An opportunity for students to chat live to staff and students from the University of Bristol and ask any questions about life at Bristol and what it's like to study a STEM subject. Students can sign up to this event on **Monday 12th April** (4-5pm) [here](#) or **Tuesday 13th April** (5-6pm) [here](#)

University of Surrey Year 12 Summer Schools  
Application are Open for Year 12 students to apply to our FREE programmes:  
For more information about either programme or if you have any questions  
please get in touch at [wp@surrey.ac.uk](mailto:wp@surrey.ac.uk)

### **Step Into Bath**

Step into Bath is a free, online programme for Year 12 students which will help them to make a competitive university application and to develop some of the key study skills needed to succeed at university. This one week programme and features a one-hour online session each day (Monday - Friday) on a different theme.

Step into Bath will run between **19 - 23 July 2021 and 26 - 30 July 2021**. The week your students join depends on the undergraduate course they are interested in applying for.

To be considered for a place on Step into Bath, students will need to have obtained at least six GCSEs at grades A\* to B or 9 to 6, and at least a grade C or 4 in GCSE English and Mathematics (or equivalent in an alternative qualification).

**[FIND OUR MORE AND APPLY FOR STEP INTO BATH](#)**

Please see below the dates and times of the **sessions we are running this April**. These talks aim to give students insight and advice into Higher Education, with each session lasting approximately one hour. To book a place, students can click on the links below. They can attend as many sessions as they wish.

Student Finance and  
Budgeting  
Wednesday 21 April  
4.30pm

Student Life  
Thursday 22 April  
4.30pm

Choosing between  
offers  
Friday 23 April  
4.30pm

A link to access your chosen session(s) will follow before the talk. If a link has not been received 30 minutes before the session is due to start please email [outreach@plymouth.ac.uk](mailto:outreach@plymouth.ac.uk) and a member of the team can help.

### **Career Compass**

These free events can help students make their future career decisions. Currently we are running sessions for Computer Games, however, we will be bringing more subjects soon.

View the dedicated webpage [here](#) from which you can explore information on careers and employability trends, discover degree courses, learn more about university life and book onto the free events. Events are held during the day and early evening.

Career compass allows you to explore careers and progression routes in animation, computing, communications, digital arts, engineering, games, journalism, mathematics, media, and visual effects.

### **University of Leeds STEM Summer Schools**

This year we will again be offering online Summer Schools for students in Year 12.

We're pleased to announce that applications for the Biological Sciences, Food Science & Nutrition and Mathematics Summer Schools are now open.

Please follow the links below to read more about the Summer Schools and make your application.

**Apply for the Biological Sciences Summer School [here](#)**

**Apply for the Food Science & Nutrition Summer School [here](#)**

## **Apply for Mathematics Summer School [here](#)**

### **In2scienceUK summer programme open for applications**

The University of Leeds are partnering with In2scienceUK this year. In2scienceUK gives Year 12 students meaningful experiences and expert insights beyond the classroom to support progression to diverse careers within STEM.

Connecting students to experts from across STEM virtually and in-person, the programme gives them the guidance they need to confidently choose their career pathway and produce high-quality UCAS and apprenticeship applications.

More information about the programme can be found [here](#) and interested students can apply [here](#).

**The application deadline is 9 April 2021**

### **Environment Futures**

For Year 12 students interested in applying to study geography and environment related courses at university.

We're excited to launch our new online Environment Futures programme for Year 12 students. Designed to help you develop your insight into the various courses and what it's like to study at a Russell Group University.

The programme will also help you develop your skills and subject knowledge, giving you the opportunity to take part in talks, workshops and other enrichment activities alongside your current studies

Find out more about Environment Futures [here](#)

**Apply for a place [here](#)**

**The deadline for applications is 23:59 on Sunday 18 April 2021.**

## Primary Education Taster Day 13th April

We're excited to announce our upcoming Primary Education virtual Taster Day taking place on Tuesday 13 April, 10:00 - 11:30. Join us to find out more about our BA in Primary Education.

The Zoom webinar includes:

- An outline of our BA in Primary Education course
- Personal statement guidance
- Student finance presentation
- A chance to hear from our current students.

Students can book using the link below.

[Book to attend here](#)

## **Year 13**

**Year 13 students going to university in Autumn 2021.**

Student Finance is now open for applications.

Go to <https://www.gov.uk/student-finance-register-login> to apply

Our [interactive Next Steps booklet](#) covers everything from what different university offers mean to how to prepare for results day.

Lots of useful advice on responding to offers, applying for accommodation, what to pack for university etc.
